Subject: IMI Waiver

The US Postal Service has extended the decertification date of the AMERICA 2 meters to December 31, 2026 and the withdrawal date to December 31, 2027, if the following conditions are met:

1. Data-Pac will provide complete NMATS data files (CRR, ICR, DRR, PVDR, etc.) for the America 2 meter.
2. The meter indicia modified to be IMI-compliant and bear the 'Human' readable mark. The indicia formats and requirements can be found in Annex G - Indicia Mail Indicia Formats 1.6 and Annex H Intelligent Mail Indicia Requirements 1.6 of the IMI PC documentation.

To date the requirements outlined above have been implemented.
